# Product **Description**

Maximize your workspace with the ViewSonic® VG3820C. This single 38” curved ultrawide monitor replaces the need for dual monitors. The massive screen gives you a seamless digital workspace, making it a breeze to view your documents, dashboards and apps side by side. A single USB-C cable connects your laptop and keeps it fully charged all day. Plus, the monitor features easy ergonomic adjustments and smart energy savings. The VG3820C makes multitasking simple. Get the clean and organized setup you need for long work sessions, clear thinking and confident decisions.
