

8" Digital Photo Frame

WITH HIGH SCREEN RESOLUTION

DPX804WH/DPX804BK

Display your memories in premium style.

ViewSonic's Custom Décor 8" DPX804WH and DPX804BK full feature digital photo frames show off your memories on a HIGH 800x600 RESOLUTION SCREEN encased in your choice of white or black custom frame. It's easy to upload pictures directly from your camera, computer or thumb drive. With 128 MB OF INTERNAL MEMORY you can store thousands of photos to be displayed in your own customized slideshow with special effects and background music. The highly stylized DPX804WH and DPX804BK accent any room with your personal memories in a beautiful frame.

It's the perfect gift for any special occasion or as a thank you gift for colleagues and customers.
