Product **Description**

Transform your workspace with the ViewSonic® 27” VG2752-2K monitor. This 27" high-performance monitor offers stunning 2K resolution and SuperClear® IPS panel technology for vibrant, true-to-life colors. With USB-C connectivity, users can easily streamline their setup and cut out the cable clutter as they enjoy 65W of charging, data, audio, video, and power over a single cable. An HDMI port, DisplayPort, and an integrated USB hub (x2 USB-C ports, x2 USB-A ports) make it easy to connect your favorite devices. Designed for all-day comfort, this monitor features an ergonomic stand that allows for height, pivot, swivel, and tilt adjustments, while a 35-degree tilt makes it ideal for use with standing desks and team discussions. Unlock a seamless dual-monitor experience by pairing the VG2752-2K with the VG2758-2K docking monitor via USB-C daisy-chaining—delivering a sleek, clutter-free setup designed to elevate your productivity. Sustainability meets convenience with biodegradable packaging, a quick-deploy stand, integrated cable management, and a built-in client mount for a faster, cleaner installation.

Specifications
