ADVANCED ERGONOMICS

Product **Description**

Upgrade your setup with the ViewSonic® 24” VG2452, a powerful workspace solution that helps enhance productivity, reduce clutter, and maximize comfort. With USB-C connectivity, users can streamline their workspace and eliminate cable clutter while enjoying 65W of charging, data, audio, video, and power over a single cable. An HDMI port, DisplayPort, and an integrated USB hub (x2 USB-C, x2 USB-A) make it easy to connect all your favorite devices, peripherals and other accessories. Built for all-day comfort, this monitor features a fully ergonomic stand with height, pivot, swivel, and tilt adjustments, ensuring an optimized viewing experience tailored to your needs. Enjoy smoother visuals with a 100Hz refresh rate, while a blue light filter and flicker-free technology help reduce eye strain. Sustainability meets innovation with a sleek, laser-textured design crafted from eco-friendly materials. The VG2452 comes in FSC-certified, 100% recyclable packaging, that helps reduce waste and eliminates the need for single-use materials.

Specifications
