NMP620-P10X-S

Key **Features**

Product **Description**

For extreme reliability and stunning 4K Ultra HD multimedia playback, the ViewSonic® NMP620-P10X network media player delivers dynamic messaging to large format displays. Equipped with the latest Intel® Celeron® N3350 CPU, the NMP620-P10X delivers high performance in a small package. Its slim, compact design is ideal for out-of-site installation behind digital signage. Despite its size, there are full connectivity ports such as HDMI, USB 3.0, USB 2.0 and RJ45 LAN port. Thanks to 32GB of built-in memory, this media player can store and play hours and hours of stunning high-definition content. What's more, with a Windows 10 Internet of Things (IoT) OS, the NMP620-P10X is compatible with industry standard digital signage software. Perfect for retail, hospitality, and point-of-sale advertising, the NMP620-P10X is the media player you can trust to deliver reliable messaging and dynamic multimedia for any of your large format displays. Bundled with DisplayIt!Xpress digital signage software, the NMP620-P10X lets you create impactful, customized messaging with ease.
