7" Digital Photo Frame

WITH HIGH 800x480 SCREEN RESOLUTION
DPX702

Frame your memories in premium style.

ViewSonic’s Premium Décor 7” DPX702 photo frames show off your memories in high style on a HIGH 800x480 RESOLUTION SCREEN. Load pictures directly from your camera, computer or thumb drive. Create your own slideshow with special effects, adjustable speeds and brightness. The INTERNAL BATTERY gives you the freedom to display your favorite photos anywhere. And the INTERCHANGEABLE FACEPLATES – wood, black and silver, or black and white – allow you customize your DPX702 for any décor. The DPX702 is the perfect gift for any special occasion or as a thank you gift for colleagues and customers.

- 256 MB internal memory
