

The ViewSonic NMP-706 network media player delivers smart whiteboard functionality for ViewSonic interactive model CDE6552-TL, CDE7051-TL. This slot-in PC module easily plugs into compatible displays and supports high-definition audio and video. With a powerful Intel® i5 processor, the NMP-706 provides the computing power needed for educational, corporate, or scientific environments. In addition, an integrated Windows® 8 Standard operating system delivers Windows compatible touch functionality such as a pull-out charm bar and simple navigation to a variety of applications. The NMP-706 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB HDD storage. Connectivity options include RJ45, VGA out, and four high-speed USB 2.0 ports.
