Product Description

ViewSonic's 19" VA1913w 16:9 widescreen features automatic aspect ratio adjustment that ensures a full, undistorted screen image. High brightness and fast video response deliver brilliant, blur-free images, while the ultra-high 10,000:1 dynamic contrast ratio produces greater detail and definition especially in darker images. This widescreen LCD continues ViewSonic's tradition of brilliant image quality and reliable performance all at an appealing price point. The VA1913w is the right choice for home/small office users, students, gamers and corporate professionals.
