## Product Description

ViewSonic VG3457CV video conferencing monitor is an ultrawide docking monitor with premium features such as a Zoom certified pop-up webcam that will help maintain productive meetings whether in the office or working from home. Premium webcam features to improve visual and audio aspects of video calls such as built in LED lighting, and powerful speakers. The IR camera allows for secure and easy sign-on with Windows Hello. The 21:9 aspect ratio provides extra screen space, while the 1500R curved screen offers an immersive viewing experience. Reliable network connectivity is ensured with an integrated Ethernet port, and the latest USB Type-C connectivity provides up to 100W power delivery to your laptop. Additionally, the integrated USB hub allows for easy connecting and charging of peripherals and accessories.
