Product **Description**

The ViewSonic® VA1903h is a 19” (18.5” viewable) widescreen monitor that delivers value and performance for both home offices and small businesses. Equipped with HDMI input, a fast 5ms response time, and rich color performance, the VA1903h is great for a variety of applications ranging from viewing office documents to surfing the web. ViewSonic’s exclusive ViewMode™ feature provides intuitive presets for optimized screen performance in different applications. In addition, Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods for improved productivity. An energy-saving Eco-mode reduces cost of ownership, making the VA1903h a great choice for both government and education.
