Product **Description**

The ViewSonic M1 mini Plus is a pocket-sized ultra-portable LED projector that delivers big-screen entertainment in nearly any location. Featuring a built-in battery with power bank compatibility, the M1 mini Plus delivers true portability and hours of entertainment without the need of a power cord. Lightweight and measuring only 4” x 4”, this tiny projector can be placed in your purse, backpack, or back pocket, making it perfect for entertainment on the go. The M1 mini Plus also includes swappable panels in three different colors – gray, yellow, and teal – so you can change the look of the projector to suit your style. An integrated smart stand provides for flexible setup, while also doubling as a lens cover. A built-in JBL speaker with Bluetooth provides crisp and clear sound, while a USB reader port lets you play multimedia content from an external dongle. Compact and lightweight, the M1 mini Plus can be enjoyed in the kids’ room or in the backyard, or carry it on the road camping, in hotels, or anywhere your travels take you. Integrated smart Wi-Fi connectivity lets you stream and binge from your favorite content providers like YouTube and Netflix. What's more, versatile connectivity options include HDMI, USB Type-A, and USB Type-C – making the M1 mini Plus a great option for sharing and displaying videos and other multimedia content.
