Product Description

The ViewSonic® M1+ is an iF Design award-winning, ultra-portable LED projector that delivers convenient entertainment in nearly any location. With a built-in battery and over 30,000 hours of operational life, this projector will deliver years of multimedia entertainment wherever it goes. Weighing less than two pounds, the M1+'s compact and lightweight design makes it ideal for moving from room to room, or for indoor/outdoor usage. An integrated smart stand provides for simple 360-degree setup, while also doubling as a lens cover. Once the lens is uncovered, the projector automatically powers on with full brightness for instant entertainment. Dual Harman Kardon speakers provide crisp and clear sound for multimedia content. Smart connectivity options include WiFi for wireless screen mirroring from smart devices, Bluetooth for versatile audio, and USB-C for direct streaming from Switch gaming consoles.
