## Product Description

---

The ViewSonic® EP5542T is a 10-point interactive, 55" 4K Ultra HD all-in-one free-standing digital ePoster kiosk with a sleek, slim design. Great for grabbing attention in busy, high-traffic areas, the EP5542T comes with a scratch-proof tempered glass faceplate for added durability. Featuring an IPS-type panel, 4K Ultra HD resolution, 178°/178° wide-angle viewing, 400-nit brightness, 1,300:1 contrast ratio, and dual 10W stereo speakers, the EP5542T delivers customized multimedia messaging with vivid clarity. Photo and video files can be played back using the embedded Quad-core media player and 16GB of internal memory, or add your own media player using the convenient media player cradle inside the lockable security door. Works with optional cloud-based Content Management Software\*.

\*Activation requires a separate subscription license, sold separately. ViewSonic products may include software and services owned, operated, or licensed by third-party companies. ViewSonic assumes no liability for the performance, availability, or use of such third-party software and services. All rights, obligations, agreements, or warranties, if any, are exclusively governed by the applicable third-party End User License Agreement (EULA).
