### Product Description

---

The ViewSonic® LDC series redefines what's possible in Direct View LED displays. By combining multiple LDC031 LED cabinets, you can create diverse video walls for engaging digital signage. Each cabinet features a native 4:3 aspect ratio for easy portrait configurations and flexible layouts. With Glue-on-Board (GOB) surface treatment, the IP54-rated modules are protected against collisions, dust, and moisture, making them suitable for public spaces like lobbies and shopping malls. At just 31mm thick, the display achieves a 99% screen-to-body ratio, offering an impressive viewing experience. Enhanced operational efficiency is facilitated through centralized management via LAN connectivity.

### Specifications

---

<b>UPC</b>	766907026429
<b>OS</b>	Android 9.0
<b>CPU</b>	RK3399
<b>Memory</b>	DDR4 4GB
<b>Storage</b>	Total 32GB (26GB available storage) (26GB available storage)
<b>Internal Speakers</b>	30W x 2
<b>PC Resolution (max)</b>	VGA(640 x 480) to 4K(3840 x 2160@60hz)
