WIRELESS CASTING**

### Product Description

---

VG1656N is a portable 16" 16:10 monitor designed for optimal productivity on the go. A built in battery and wifi casting ability streamline your productivity on the road for a truly wireless set-up, allowing you to extend or mirror your screen on the go. Weighing around 3lbs and about .4" thick, with an intuitive smart cover to both provide versatile viewing options and protect the screen in transit, this portable is optimized to take on the road. The two way power USB-C connectors provide a one-cable solution for multimedia transfer and 60W power charging, either receiving power from a laptop or power bank, or being able to pass through power to the connected device, when the portable is connected to a power source.\*\*

\*\*no two-way power from battery
