

NMP-302W

Key Features

- 802.11 b/g/n wireless and 10/100 Ethernet
 - 8GB internal memory
 - HDMI output, micro USB for power charging
-

Product Description

The ViewSonic NMP-302w network media player delivers reliable and stunning 1080p multimedia playback on large format displays and digital signage solutions. With built-in wireless and RJ45 connectivity, along with bundled Signage Manager software, the NMP-302w allows customized multimedia content to be easily produced, scheduled, and loaded to displays from PCs or notebooks. Integrated 8GB on-board memory, as well as dual USB and micro SD card slots, provide direct playback of high-definition content. The NMP-302w also supports the latest HTML5 and SMIL standards, delivering dynamic and informative messaging to your customers. In the case of a power outage, an embedded auto reboot and play function automatically reboots pre-loaded content when power resumes, thus ensuring continuous playback without user intervention. The NMP-302w provides a reliable messaging solution for retail, hospitality, point-of-sale advertising, and education environments.

Specifications

	More Information
UPC	766907789010
Media Player Type	Media Player
