Product Description

*Final Sale. Sold AS-IS with no warranty on parts or labor. 30-day DOA policy for full refund. The ViewSonic® CDE4803 is a great value, high performance 48" Full HD LED commercial display for hotel, restaurant and hospitality environments. In addition to versatile connectivity options, including HDMI, VGA, and SPDIF, the display comes with a simple and convenient USB multimedia playback functionality. With 1920x1080 resolution, 350-nit brightness, wide viewing angles and dual 10W stereo speakers, the slim-bezel CDE4803 delivers vivid images and remarkable sound for superior multimedia performance. The HDMI CEC pass-through support provides one-touch-play, with additional features for multiple connected devices such as HD set-top-boxes, media players, and Blu-ray™ players. An RS232 port with IR pass-through provides automated control for hospitality installation. Creating a more comfortable viewing experience, the display is equipped with Flicker-Free and Blue Light Filter technologies. In addition, free-bundled vController software offers easy maintenance and intuitive interfaces for remote management via a PC server or laptop.
