Product **Description**

The ViewSonic® ColorPro® VP1656 is a 16” portable monitor that boasts a native WUXGA 1920 x 1200 resolution. Featuring a flexible and foldable ergonomic stand, it offers easy height adjustment to achieve the perfect viewing angle across various environments. This monitor is Pantone Validated and comes factory hardware calibrated, with 100% sRGB color gamut ensuring richer color uniformity and enhanced detail accuracy to meet the high standards of professional content creators. An integrated tripod mount in the stand allows the display to function as a high-quality photo or video preview screen, ideal for fine adjustments in the field. Versatile connectivity options include two USB-C ports supporting 2-way charging, a micro HDMI port, and a headphone jack.
