Product **Description**

Upgrade your entertainment experience with the ViewSonic® LX60HD smart LED projector. Featuring built-in Google TV software, this 1080p Full HD projector makes it easy to watch your favorite movies and shows on screens up to 140” without having to purchase an external dongle. And with features like auto H/V keystone correction, four-corner adjustment and obstacle avoidance, the LX60HD helps significantly streamline your setup no matter where you place your projector. A sealed engine design prevents dust and moisture from entering and ensures long-term durability and image clarity for years to come. Enjoy wireless screen mirroring with built-in Wi-Fi and Bluetooth for easy connectivity.
