### Product Description

---

Designed for the modern day office, the ViewSonic® VG2455-2K monitor delivers an efficient end-to-end enterprise experience. USB Type-C connectivity provides charging power, video, and audio over a single connector for convenience and reduced cable clutter. SuperClear® IPS panel technology delivers wide-angle viewing and incredibly vivid colors, while 3-sided thin bezel design provides a seamless viewing experience for multi-monitor setups. For enhanced productivity, an advanced ergonomic design offers a wide range of customizable adjustments for maximum comfort including pivot, swivel, height adjustment, and tilt. With the ability to tilt an impressive 40-degrees, this 24" monitor is ideal for users who prefer to work while standing up, as well as for those who like to use their screen for group discussions. Along with USB Type-C, additional connectivity options include HDMI, DisplayPort, and USB. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for simple out-of-the box setup. The quick release stand also includes an integrated client mount and cable management features.
