## Product Description

Delivering 1920 x 1080 resolution and 5000 lumens of brightness, the ViewSonic® PG800HD is the ideal 1080p projector for professional installations, large venues, and business and education environments. With its 1.3x optical zoom, centered lens, vertical lens shift, and vertical keystoneing, the PG800HD provides extreme flexibility even in the most challenging installations. The PG800HD boasts a sleek top cover design for quick lamp and accessory access, while an intuitive PortAll® compartment accommodates additional accessories such as an HDBaseT receiver, wireless streaming device, or PC stick. A 4-in-1 power button serves as a central point for LED notifications. Moreover, two HDMI ports and additional audio and video ports allow for extensive connectivity to handle multiple devices without the need to switch cables. Powered by SuperColor™ technology for beautiful image reproduction, and SonicExpert® technology for incredibly clear sound, the PG800HD delivers a professional audiovisual performance.

## Specifications
