Product Description

The ViewSonic® VA2719-sh is a 27" (27" viewable) Full HD LED monitor with SuperClear® IPS panel technology, offering sharp color representation and outstanding screen performance at wide viewing angles. With a minimalistic, borderless design, the VA2719-sh provides an exceptional viewing experience for home entertainment or office work. An exclusive ViewMode™ feature provides intuitive presets for optimized screen performance in different applications. In addition, Flicker-Free technology and a Blue Light Filter help to eliminate eye strain from extended viewing periods for improved productivity, while an Eco-mode feature helps to reduce energy consumption. Built-in HDMI and VGA inputs offer more flexible and reliable connectivity.

Specifications

More Information
