Product Description

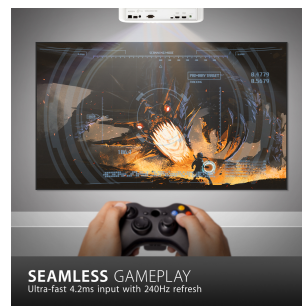

With incredible Ultra HD resolution, HDR/HLG support, and a high brightness of 4,000 ANSI lumens, the ViewSonic PX748-4K projector delivers stunning home entertainment around the clock: day or night, in bright rooms or dark. With an ultra-low 4.2ms input lag, 240Hz refresh rate, and USB-C connectivity for direct streaming from gaming consoles such as the Nintendo® Switch, this projector provides a whole new level of gaming. Set-up is a breeze too: 1.3x optical zoom, warping capabilities, and H/V keystone allow for more flexible mounting and easy installation with screen sizes up to 300" on nearly any surface. What's more, LAN control compatibility and a 12V trigger make this projector a perfect addition to any smart home.

Specifications

UPC	766907008951
