## Product Description

---

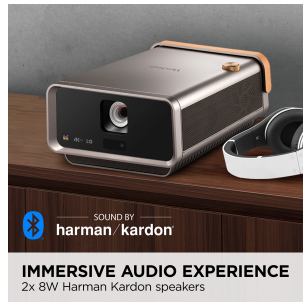

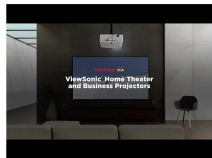

Combining true 4K Ultra HD resolution with HDR/HLG support, advanced new generation LED technology, and smart capabilities within a portable design, the ViewSonic® X11-4K projector delivers an immersive cinematic experience from anywhere in your home. With an easy carry handle, this projector can be moved from room to room and even outdoors for backyard parties. Setup is effortless with instant auto focus, H/V keystone and 4-corner adjustments. In addition, a short throw lens can deliver images up to 100" when the projector is placed just a few feet away from a wall or screen. No matter where you watch, images remain vivid and clear thanks to 2,400 lumens of brightness, 125% Rec.709 compatibility, and stunning 4K Ultra HD 3840 x 2160 resolution, while custom Harman Kardon speakers deliver incredible sound. Smart connectivity features add even more fun, including wireless screen mirroring from your phone, Bluetooth connectivity for flexible audio options, and USB-C for single-cable connection to a Nintendo® Switch.
