Product **Description**

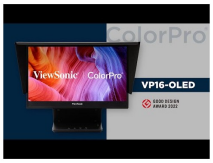

The ViewSonic® ColorPro® VP16-OLED is a 15.6” portable monitor with native Full HD 1080p resolution and advanced OLED technology for incredible visual performance on the go. The VP16-OLED is Pantone Validated and factory calibrated to deliver richer color uniformity and enhanced details, ensuring that it meets the demands of professional content creators. A flexible and foldable ergonomic stand delivers easy height adjustment for the perfect viewing angle in a variety of environments. A convenient tripod mount is integrated into the stand so that the display can be used as a high-quality photo or video preview screen for fine adjustments in the field, while a protective screen cover also doubles as a shading hood for a “dark room” effect. In addition, versatile connectivity options include two USB-C ports for 2-way charging, as well as micro HDMI and a headphone jack.

Specifications
