Product Description

The ViewSonic® LDP216-251 All-in-One Direct View LED Display is a premium 216" larger-than-life digital screen that delivers an incredible audio-visual experience for any high-end corporate lobby, boardroom or conference room. Featuring a 120% Rec. 709 wide color gamut, lightning-fast 3,840Hz refresh rate, and a peak brightness of 600 nits, this display delivers true-to-life color and extraordinary detail for every video, presentation and lecture. The display is also equipped with Harman Kardon speakers, 4K/HDR/HLG support and PIP/PBP display modes for immersive content delivery. At 25mm slim and lined with a 5mm frameless edge, the sleek LDP216-251 exudes sophistication and elegance in any modern setting.
