PJ-WPD-700: WIRELESS SCREEN CASTING KIT WITH PLUG-AND-PLAY TECHNOLOGY

Key **Features**

- Cast content instantly with plug-and-play technology
- Peer to peer connectivity delivers greater security and stability
- Up to 1080p FHD resolution with minimal latency
- Cast DRM-Protected content from Disney+, Netflix and more
- Broadcast content from up to 98 feet away
- Connect with up to 8 transmitters simultaneously

Product **Description**

Make presentations easier and wire-free with the ViewSonic® PJ-WPD-700 wireless casting solution. This plug-and-play wireless dongle empowers users to seamlessly cast content from their mobile devices with no network setup, software installation or app downloads required. Peer-to-peer connection technology ensures transmission stability, security and streamlines guest access for simplified content sharing. Enjoy up to 1080p Full HD resolution with minimal latency. Watch DRM-protected content from platforms such as Netflix, Disney+ or HBOMax. Plus, with a transmission range of up to 98 ft., this casting kit eliminates the need to purchase expensive extra-long HDMI cables. A USB-C port ensures that this wireless casting dongle is compatible with most devices, including the iPhone 15. Pair your device with up to eight transmitters via USB-C port.

Specifications

More Information

UPC	766907025446
