ViewSonic | Pro AV

SOLUTION BRIEF

ViewSonic Direct View LED Deployments Across Asia
One-stop Solutions for Every Space

From corporate boardrooms to heritage buildings, every space presents unique display challenges. Across Asia, All-in-One Direct View (dvLED) display portfolio has met them in very different venues, supported by All-in-One simplicity, Pro AV integration, and single-source ecosystem.

Executive Audiovisual Center
136" LDM136-151

A pre-assembled All-in-One display replaces video wall grid lines with one seamless canvas.

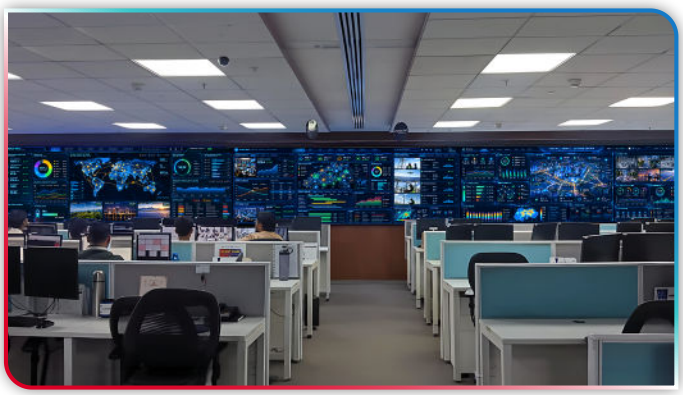

Government Board Room
150" LDC031G + CDE31 Series

Twin dvLED walls and four side displays, with secure peer-to-peer wireless presentations.

Corporate Training Center
163" LDM163G-183

170° wide viewing angles offer visibility from every seat, with slim cabinets fitted into wooden interiors.

Security Operations Center
475" LDC027G-151

An unbroken 12m ultrawide visual wall replaces a monitor grid, with front-swappable modules for 24/7 uptime.

Mandarin Oriental, Tokyo
138″ LDS Series

A mobile display on a motorized stand delivers grand visuals without touching the heritage architecture.

University Auditorium
462″ LDC031G-181

A large 192-cabinet screen legible from even the back row, with effortless presentation casting.

Mobile & Foldable (LDS Series)

A large, pre-assembled foldable display on a motorized stand, delivering high mobility and unmatched flexibility

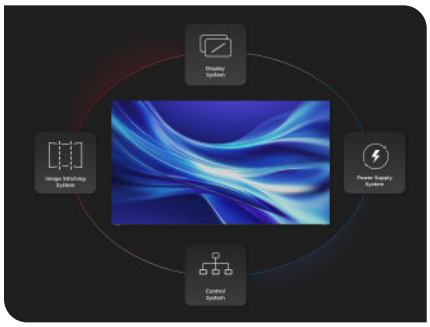

Pre-configured (LDE, LDM, & LDP Series)

Pre-assembled ultra-slim 16:9 displays with integrated power, control, and image stitching for fast single-wall setup

Customizable (LDC Series)

Innovative, grand video walls up to 760″ in any size, aspect ratio, & shape to suit creative layout installation designs

Easy Installation & Maintenance

- Pre-aligned All-in-One models
- No complex on-site cabinet tuning
- Hot-swappable front LED modules
- Easy maintenance and upkeep

Clear Visual Experience

- Up to 4K resolution
- Fine pixel pitch (0.78–2.5mm)
- 600 nits brightness
- 170° ultra-wide viewing angles
- No visible seams, even at wide angles

Pro AV-Ready Integration

- Centralized AV management
- Crestron, Extron, AMX, and Q-SYS integration
- ViewShare WPD-900 add-on for instant, login-free wireless casting
