## Product Description

---

The ViewSonic® VG2451 is a 24" monitor that makes it easy to connect, no matter what system you're using. Featuring HDMI, DisplayPort, and VGA, it works seamlessly with both modern and legacy devices. With a built-in USB hub featuring USB-A, USB-B, and USB-C with 15W Power Delivery, you can effortlessly connect your peripherals. Plus, front-facing USB ports offer instant access for accessories when you need it most. The frameless IPS panel brings your work to life with vivid brightness, sharp contrast, and wide viewing angles. Whether you're collaborating or working solo, the screen looks great from almost any angle. Backed by a three-year limited warranty and one of the best pixel performance policies in the industry, the VG2451 delivers incredible value and peace of mind.
