Product **Description**

The ViewSonic® NMP401 is a powerful signage stick that makes campus messaging incredibly easy. We combined the reliable hardware of the purpose-built Amazon Signage Stick with the dynamic TSN communication ecosystem. Simply plug the NMP401 into your display's HDMI port and connect to Wi-Fi. Your content then plays automatically, and you can quickly share daily announcements across cafeterias, hallways, classrooms and entryways. The NMP401 also pairs perfectly with ViewSonic displays to bring school culture to life.
