## Product Description

Featuring an ultra-wide 34" screen, the ViewSonic® VG3448 monitor is ideal for both office use and home entertainment. With WQHD 3440 x 1440 resolution, the VG3448 delivers 2.4 times more pixels than standard Full HD monitors, giving users more detail for work or play. A 21:9 aspect ratio and slim bezels provide extra screen real estate so users can display more content, switch between applications more quickly, view documents side by side, and view multiple windows at once. This monitor is also shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for simple out-of-the box setup. The quick release stand also includes an integrated client mount and cable management features, making this monitor perfect for deployment in cloud-based environments.

## Specifications
