Product Description

Unlock the ultimate entertainment experience with the X1-4KPro smart LED projector. This "Designed for Xbox" projector comes with integrated Google TV so you can not only play your favorite games, but also stream your favorite shows and movies in stunning 4K resolution - no external dongle required. With a fast 240Hz refresh rate, it's built to provide ultra-smooth visuals for both high-speed action games and fast-paced movies on a screen up to 150". This home entertainment projector was also designed in partnership with Microsoft for optimized Xbox gameplay: 1440p native Xbox resolution at a 120Hz refresh rate delivers the perfect balance between incredible visuals and accuracy for Xbox gaming. Plus, with next-generation LED technology, you can enjoy pristine image clarity for years to come without performing any maintenance or upkeep. And, with features like vertical lens shift, 1.36x optical zoom, and four-corner adjustment, you can effortlessly build the entertainment setup of your dreams. Level up the way you watch, play and relax with the X1-4KPro projector today.

Specifications
