## Product Description

Great for public kiosks, POS displays, and other retail and commercial applications, the ViewSonic® TD2223 is a 22" touch display with 10-point IR touch technology that lets users pinch, zoom and swipe for fast and intuitive navigation. With Full HD 1920x1080 resolution, 1000:1 static contrast ratio and 7H screen hardness, the TD2223 delivers sharp and bright images combined with durability for high-traffic applications. Flexible connectivity options include HDMI, VGA, DVI, and a USB hub to connect your peripherals and accessories. VESA-mount compatibility offers additional convenience and flexibility for 3rd party stands and mounts. What's more, ViewSonic's exclusive ViewMode feature provides intuitive presets that deliver optimized screen performance in different applications. In addition, Flicker-Free technology and a Blue Light Filter help to eliminate eyestrain from extended viewing periods for improved productivity. Whether in retail or deployed in a high-traffic commercial setting, its scratch-resistant surface stands up to heavy use and safeguards its high quality touch experience. Combine this display with ViewSonic's Android and Windows media players for a perfect kiosk solution.

## Specifications
