## Product Description

---

Add next-generation productivity, clarity and connectivity to your setup with the 27" VG2758-2K USB-C docking monitor. This stunning 2K monitor streamlines your workspace by eliminating the need for a separate docking station or extra cables. This empowers users to enjoy a lower overall total cost of ownership (TCO) compared to more traditional configurations. The VG2758-2K monitor's built-in docking station includes 100W USB-C connectivity, an RJ45 Ethernet port, USB-C daisy-chaining and a five-port USB hub. With advanced daisy-chain technology, this next-generation docking monitor lets users create a streamlined multi-monitor setup via a single USB-C daisy chain cable. Enjoy razor sharp resolution and fast refresh rates with no additional cables required. The VG2758-2K monitor's future-proof USB hub features three USB-A ports and two USB-C ports (with 15W power delivery). For easier access, users can plug their devices into the 1x USB-C port and 2x USB-A ports located on the front bezel of the monitor. Plus, with an advanced ergonomic design, the VG2758-2K lets you work for longer with less strain.
