**\* This product has been replaced by [VA2223WM-LED](#).**

ViewSonic's 22" (21.5" viewable) VA2223wm delivers Full HD 1920x1080 resolution at a price that won't break your budget. This stylish 22-inch LCD delivers extreme clarity, amazing color with 16,000:1 dynamic contrast ratio and fast ClearMotiv® 5ms video response. Enjoy beautiful graphics and view spreadsheets in unbelievable clarity. Enjoy greater productivity with the ability to view two full-size documents side-by-side or work in multiple applications simultaneously on the widescreen display. Integrated speakers in a stylish, slim-bezel design provide multimedia enjoyment. Eco-mode conserves power and can extend backlight life. VA2223wm fits seamlessly into any office décor. It's great for desktop applications at home, school or in the office.

### KEY FEATURES:

- Full HD 1080p resolution
- 16,000:1 dynamic contrast ratio
- Super-fast ClearMotiv® 5ms video response
- OptiSync® digital/analog inputs
- Eco-mode saves power and extends backlight life
- Stylish slim-bezel design
- 3-year limited warranty

## LEARN MORE

### FULL HD 1080P RESOLUTION

With full high-definition resolution, immerse yourself in true to life picture quality. Whether you're watching a movie, surfing the web or working on a project, experience display detail at its finest

### SUPERB DYNAMIC CONTRAST RATIO

Provides for darker black levels and better overall front-of-screen performance. Darker black levels enhance brightness for an exquisite picture of all color levels

### MULTIMEDIA ENHANCED

Integrated stereo speakers transform this display into a mini entertainment center sitting right at your desktop while also saving real-estate by eliminating the need for outer speakers

## PROLONG YOUR INVESTMENT

Your investment is as important to us as it is to you. Extend the life of your backlight and save power with the available eco-mode feature
