Product **Description**

Take exhilarating entertainment on-the-go with the M1X portable LED projector.

With a weight of less than 2 lbs., this modern portable projector features a patented 3-in-1 smart stand that delivers 360° projection angles and automatically turns on the projector when swiveled. This smart stand also acts as a lens cover that protects the projector when traveling or not in use. From the living room to the great outdoors, the M1X projector immerses users in a stunning multimedia viewing experience with images up to 100” and crisp Harman Kardon speakers. Enjoy an effortless setup experience with features like H/V keystoning and automated four-corner adjustment. Binge shows and movies for longer with a built-in battery that lasts up to four hours, or plug in a power bank for all-day entertainment. Whether you use Chromecast, Roku or Apple TV, the M1X lets you connect your favorite streaming devices directly into the USB-A port. Or take advantage of the M1X’s versatile connectivity options and connect your mobile device via Bluetooth, WiFi, HDMI or USB-C.
