Product **Description**

The ViewSonic® XG2530 is a 25” (24.5” viewable) Full HD gaming monitor packed with all the speed and features that diehard gaming enthusiasts demand. Featuring a native 240Hz refresh rate, as well as AMD FreeSync Technology, this monitor’s variable refresh rate capabilities virtually eliminate screen tearing and stuttering for fluid gameplay during fast-paced action scenes. A blazing-fast 1ms response time provides smooth screen performance even in the most graphic-intense sequences. An exclusive ColorX gaming mode delivers optimum speed and visuals ideal for games such as Overwatch*, while an arsenal of pre-set customizable visual modes keep you ready for any FPS, RTS, or MOBA gaming scenario. A black stabilization function helps you target enemies lurking in the dark, while the monitor maintains brilliantly rich colors and contrast. With a gamer-inspired ergonomic stand that features an integrated headphone hook and cable management functionality, the XG2530 has all you need to conquer your gaming and entertainment quests.

*Overwatch is a FPS game owned by Blizzard Entertainment Inc. (“Blizzard”). Use of Overwatch herein is for demonstration only and does not imply any affiliation with or endorsement or sponsorship or authorization by Blizzard.

Specifications
