### Product Description

---

Ideal for business travelers on the go, the ViewSonic® M2 portable Full HD LED projector delivers power and performance in a portable package. Compact and lightweight, the ViewSonic M2 can be carried from office-to-office, or slipped into a briefcase or backpack and taken on the road. For convenient presentations and content sharing, a wireless screen mirroring feature allows users to easily cast content from a mobile device to the projector. The M2 projector features a shorter throw lens that can display large images in small spaces, while its LED light source provides over 30,000 hours\* of usage time and 1,200 lumens of brightness. An adjustable kickstand design delivers simple and quick setup for easy projection in nearly any environment. An integrated Micro SD card slot and USB Type-A reader port allow users to display documents, videos, and other multimedia without having to connect to a PC. And for fast data, audio, video, and charging over a single cable, there's a USB Type-C port. For more immersive multimedia presentations, dual Harman Kardon speakers deliver room-filling sound to keep audiences engaged.

\*Light source lifespan may vary based on actual usage and other factors.

Amazon Alexa and Google Assistant voice control are no longer supported.
