Product **Description**

The ViewSonic® M1 mini is a pocket-sized ultra-portable LED projector that delivers big-screen entertainment in nearly any location. Featuring a built-in battery with power bank compatibility, the M1 mini delivers true portability and hours of entertainment without the need of a power cord. Lightweight and measuring only 4” x 4”, this tiny projector can be placed in your purse, backpack, or back pocket, making it perfect for entertainment on the go. The M1 mini also includes swappable panels in three different colors – gray, yellow, and teal – so you can change the look of the projector to suit your style. An integrated smart stand provides for flexible setup, while also doubling as a lens cover. A built-in JBL speaker provides crisp and clear sound, while a USB reader port lets you play multimedia content from an external dongle. Compact and lightweight, the M1 mini can be enjoyed in the kids’ room or in the backyard, or carry it on the road camping, in hotels, or anywhere your travels take you.
