## Product Description

Featuring an immersive ultra-wide 34" curved screen and single-cable USB-C connectivity, the ViewSonic® VG3456C monitor is designed to boost productivity and streamline your workspace. With WQHD 3440 x 1440 resolution, the VG3456C delivers 2.4 times more pixels than standard Full HD monitors, giving you more detail for enhanced productivity. A 21:9 aspect ratio provides extra screen real estate so you can display more content. A 1500R curved screen creates a more immersive viewing experience by bringing the far edges of the monitor closer and within your natural field of view. Enjoy reliable network connectivity with the integrated Ethernet port while the latest USB Type-C connectivity provides up to 100W power delivery to your laptop. That's not all, the integrated USB hub also provides single-cable simplicity for connecting and charging your peripherals and accessories.
