Product Description

Designed for Surface (DfS) products must meet the rigorous standards of Microsoft to ensure optimal compatibility with Microsoft Surface products.* The ViewSonic® VG245 monitor is compatible with all USB-C Surface devices and is ideal for office and home use. USB-C connectivity offers convenient charging power, video and audio over a single cable, and will charge your Surface device without the need for an additional power cable. Along with USB-C, additional connectivity options include HDMI, DisplayPort, VGA, and a USB hub.

This 24" monitor also includes an advanced ergonomic design that features height adjustment, pivot, swivel and tilt for maximum comfort and enhanced productivity. This monitor is shipped in eco-friendly biodegradable packaging, along with an easy-to-install quick release stand that makes for simple out-of-the box setup. The quick release stand also includes an integrated client mount and cable management features.
