Product **Description**

ViewSonic VG2757V-2K video conferencing monitor is a docking monitor with premium features such as a pop-up webcam that will help maintain productive meetings whether in the office or working from home, with secure features like a Windows Hello compatible IR camera and Zoom certification for peace of mind on security and reliable conferencing. Premium webcam features to improve visual and audio aspects of video calls such as built in LED lighting, and powerful speakers, along with a QHD 2560 x 1440p resolution for stunning visuals. The IR camera allows for secure and easy sign-on with Windows Hello. Full docking functionality (daisy chain, USB-C single cable connectivity with 90W power delivery, reliable ethernet connectivity) simplifies accessories needed to deploy for IT infrastructure.

Specifications
