Product **Description**

Take portable gaming to the next level with the ViewSonic® VX1654 15.6'' portable monitor. Featuring a stunning anti-glare Full HD display, powerful 144Hz refresh rate and AMD FreeSyncTM technology, the VX1654 portable monitor harnesses all the specs of a desktop setup for on-the-go gaming. Experience crisp graphics, tear-free visuals, and a responsive gameplay experience from just about anywhere. When you're done playing, use the VX1654 portable monitor with your laptop or tablet to help double your screen space and turbocharge your productivity. USB-C connectivity means that users can connect their favorite consoles and enjoy video, audio, data, 60W of charging and two way power delivery with just a single cable. Users can connect even more of their favorite devices with a mini HDMI port. And with a weight of just 1.5 lbs. and a profile that's slimmer than a deck of cards, this portable monitor slips easily into bags, briefcases or backpacks.

Specifications
