RESOLUTION

## Product Description

The ViewSonic® VX1655-4K-OLED is a 15.6" portable monitor with native 4K resolution and advanced OLED technology for incredible visual performance on the go. Stunning 4K Ultra HD resolution delivers four times more pixels than Full HD monitors, so you can have the clarity and precision you need for work and play. An ultra-thin panel with the hardware integrated into the kickstand provides incredible stability, discreetly hides cable connectivity, and still allows for use in portrait and landscape modes. In addition, versatile connectivity options include two USB-C ports for 2-way charging, as well as mini-HDMI and a headphone jack. Measuring less than an inch thick and weighing under two pounds, the ultra-slim VX1655-4K-OLED perfectly fits into any bag, briefcase, or backpack so you can work wherever life takes you.
