

## TWO HEADS ARE BETTER THAN ONE

### ViewSonic VG2456 and VG2455 Monitors

Skyrocket productivity and save your customers money with the **ViewSonic® VG2456 and VG2455 dual monitor enterprise solution**. Lower your TCO with easy installation, reduced cable clutter and a built-in docking station.

These dynamic monitors provide everything you need to create a streamlined docking station set up.

**Eliminate the Need for Docking Stations:** RJ45 and USB-C eliminates the need for costly docking stations, as well as multiple wires, cables and adapters.

**Simple Dual-Monitor Setup:** With the latest USB Type-C and DisplayPort output connectivity, the VG2456 can be easily daisy chained to the VG2455 for a productivity-boosting desktop setup.

**Reduce Cable Clutter:** In addition to fast data, audio, and video transfer, USB Type-C also provides quick 60W charging over a single cable.

**Comfortable Workspaces:** Swivel, pivot, height adjust and tilt features provide a greater range of adjustment to help increase productivity and comfort. Do even more by attaching a PC behind the monitor stand with the optional LCD-CMK-001 client mounting kit.
