ViewSonic ViewCare[®] Service Options Program Coverage for the U.S.A. and Canada

ViewCare Program Agreement

ViewCare service options are offered for purchase on eligible products to all ViewSonic Corporation customers within the United States and Canada, pursuant to the terms of this agreement. Throughout this agreement, "ViewSonic" refers to ViewSonic Corporation, with corporate offices at 10 Pointe Dr., #200, Brea, California 92821. You may contact us via telephone at (800) 688-6688. The term "you," "your and/or Customer" refers to the individual registered for ViewCare service, *Extended Warranty Service or Express Exchange[®] Service or any combination thereof* (All of the foregoing programs are henceforth individually or collectively referred to as "ViewCare Program").

The ViewCare Program is comprised of three service options, the terms of which are set forth and explained in greater detail below. The first option is ViewSonic's Extended Warranty Service which extends the lifetime of the Standard Limited Warranty. The second option is ViewSonic's Express Exchange[®] Service which, in the event ViewSonic determines your product is defective under the applicable warranty, allows you to receive a refurbished replacement within two (2) business days instead of having to wait for repairs or replacement. (Certain restrictions apply. Please see Express Exchange[®] Service for more details.) The third option is a combination of both EE & EW. ViewCare Program options are subject to the terms and conditions which are set forth below under their respective headings. Subject to product eligibility, ViewCare Programs may be combined, and more than one ViewCare Program option may be purchased for each product. The ViewCare Program is only available for the original purchaser of a new ViewSonic product in the United States or Canada, and is not available for used, second-hand or refurbished products.

1. Extended Warranty Service is an additional period of time and/or extension to ViewSonic's Standard Limited Warranty that may be provided with each ViewSonic product. Not all ViewSonic products are eligible for Extended Warranty Service. Please see the Service Options and Availability chart to determine whether your product is eligible for this service. If you have purchased the Extended Warranty Service, and it is determined by ViewSonic Customer Support that your original product requires replacement, the remaining balance of time under the Extended Warranty Service will also cover the replacement product(s), provided that the replacement is furnished by ViewSonic. The warranty period, including any extended warranty period thereof, is calculated from the date of your original product purchase. Please note that neither ViewSonic's Standard Limited Warranty, nor any Extended Warranty Service is automatically extended from the date of replacement. The date of expiration shown on your *Enrollment Confirmation Letter* will remain the same.

2. Express Exchange[®] Service is offered to all ViewSonic customers within the United States and Canada for purchase on eligible products pursuant to the terms set forth herein, and in conjunction with a valid warranty. In the event your product manifests a covered defect during the term of the Standard Limited Warranty, ViewSonic will replace the defective product instead of you having to wait for diagnostics and repairs. Please see the Service Options and Availability chart to determine whether your product is eligible for this service. Express Exchange[®] Service provides you with a comparable refurbished unit, usually shipped within two (2) business days of the your phone call, provided that the call is received by 12:00 p.m., Pacific Time (Saturdays, Sundays and major U.S. and Canadian Holidays are excluded from the 48 hour Service guarantee). Delivery in certain areas may be delayed due to the shipper's practices and/or customs clearance. Delays beyond ViewSonic's control, including but not limited to shipper's practices, natural disasters, and customs clearance delays, are excluded from the Express Exchange[®] Service guarantee. The refurbished replacement unit will be covered for the balance of time remaining on your Standard Limited Warranty (calculated from the date of original product purchase unless otherwise specified by ViewSonic).

NOTE THAT BY ENROLLING IN THE EXPRESS EXCHANGE[®] SERVICE PROGRAM, CUSTOMER AGREES TO ACCEPT A REFURBISHED REPLACEMENT PRODUCT INSTEAD OF THE RETURN OF THE ORIGINAL PRODUCT OR A REPLACEMENT PRODUCT IN NEW CONDITION. THE CUSTOMER'S ORIGINAL, DEFECTIVE PRODUCT WILL NOT BE RETURNED AND SHALL BECOME THE PROPERTY OF VIEWSONIC.

HOW THE EXPRESS EXCHANGE[®] SERVICE WORKS:

When you call ViewSonic Customer Support, you will be issued an RMA number, which will be your "Case Number," and is the best number to present when contacting ViewSonic. Once it has been determined that Customer has a defective product covered under the applicable warranty, ViewSonic will arrange for delivery of a refurbished replacement unit to Customer's location, and for the return of the defective product. Under this service, the cost of shipping the refurbished replacement product to the customer's location, as well as the return shipping cost of the defective product (only applicable when shipping to and from the same location), are covered by ViewSonic. However, ViewSonic will not be responsible for shipping costs UNLESS shipping has been arranged and managed by ViewSonic's Customer Support. When you receive your replacement product, ViewSonic will include a Return Shipping Label, to be used for the return of your defective product.

To ensure return of the defective product registered under the Program, a credit card "hold" will be placed against Customer's credit card for the value of the refurbished replacement unit, and is required before the refurbished replacement product can be shipped. Your credit card will not be charged, unless (a) you fail to return the defective product to ViewSonic within fifteen (15) calendar days from receipt of the replacement product and in the manner specified by ViewSonic, (b) the serial number of the returned product does not match that of the registered product; and/or (c) the defective product is returned with missing components. If Customer returns the defective product with missing components, a credit card charge will be made as described under the "Product Return Provisions" below. In the event a Corporate VIP Customer is unable to provide a credit card, ViewSonic may, at its sole discretion, accept a signed Acknowledgement & Acceptance of this ViewCare Program Agreement in lieu of a credit card before a refurbished replacement product can be shipped.

3. Extended Warranty with Express Exchange[®] Service is offered for purchase to all ViewSonic customers within the United States and Canada ONLY pursuant to the terms of this agreement. For those customers who wish to extend the lifetime of their Standard Limited Warranty, but with the added convenience of Express Exchange[®] Service, this ViewCare Service provides a simple solution to purchase both the Extended Warranty and the Express Exchange[®] Service in one package. The Extended Warranty with Express Exchange[®] Service gives the extra time provided by the Extended Warranty, and also includes the convenience of expedited exchanges as described under the Express Exchange[®] Service description, and according to the length of time purchased as indicated in your *Enrollment Confirmation Letter*.

HOW THE EXTENDED WARRANTY WITH EXPRESS EXCHANGE[®] SERVICE WORKS:

Customers in the United States and Canada have the option of purchasing the Express Exchange[®] Service for up to three years, depending on the combined length of the ViewSonic Standard Limited warranty and any Extended Warranty you opt to purchase. For example, if Your Standard Limited Warranty is for one year and you purchase an Extended Warranty of an additional one year, you may only purchase the Express Exchange[®] Service for two years. Service Program details are described above for each of the Extended Warranty and Express Exchange[®] Service. Please see the corresponding descriptions for more details.
