Product Description

Breeze past the competition with the 27 inch XG2736-2K gaming monitor. With a crystal clear 2k resolution, 240Hz refresh rate, and 0.5ms response time, this monitor will deliver stunning images along with peak gaming performance. Whether you play FPS games competitively, are a casual MMORPG player, or want the best experience with the latest single player game, this monitor will make any game you want to play look incredible. Get closer to the action with a specially designed narrow footprint stand, allowing you to put your mouse and keyboard closer to the monitor for a more comfortable gaming experience. Equipped with AMD FreeSync™ Premium technology, this monitor virtually eliminates screen tearing and stuttering for fluid gameplay during fast-paced action scenes. With the option of DisplayPort, HDMI, or USB-C with 65w power delivery, this monitor can connect to any of the newest gaming devices while keeping your laptop, phone, or controller charged.

Specifications
