Product Description

The ViewSonic® LDE163G-182 is a 163" all-in-one Direct View LED (dvLED) display. It's part of our LDE Series, designed to deliver outstanding price-performance and simplified dvLED technology. This line is perfect for schools and businesses seeking a high-impact solution that maximizes their investment. The LDE163G-182 features an innovative, fully integrated All-in-One design with a simplified OS. Everything you need is built directly into the cabinets, which allows for easier installation and operation. The complete solution ships together and can be ordered with a single SKU, making setup a breeze. This display is also built to last. It uses durable Glue-on-Board technology with an IP54 dust and moisture rating and an IK06 impact rating. You can confidently use it in busy lobbies, classrooms, or conference rooms. With 600-nit brightness and a 6,500:1 contrast ratio, it delivers a vivid, exceptional viewing experience, representing a premier value in large-format displays.

Specifications
