Product **Description**

Enjoy greater comfort and more room to work with the ViewSonic® 27" VA2756AJ ergonomic monitor. With features including swivel, pivot, tilt and up to 130 mm of height adjustment, this monitor's fully adjustable stand offers a greater range of motion so you can find your ideal position. The premium screen is built for comfort too. A hardware- and software-based Blue Light Filter works with Flicker-Free technology to help reduce eye strain during extended sessions, while SuperClear® IPS technology delivers vibrant color and consistent brightness no matter the vantage point. A 120Hz refresh rate with Variable Refresh Rate technology keeps motion fluid with reduced screen tearing. And with flexible connectivity options including HDMI, DisplayPort and VGA inputs, you can easily plug in all your devices. When one monitor isn't enough, a 4-sided frameless design makes multi-screen setups easy to configure for a more immersive view. Designed with sustainability in mind, this monitor ships in 100% recyclable, FSC-certified packaging to help reduce your environmental footprint. Backed by a 3-year limited warranty and one of the industry's best pixel performance policies, the VA2756AJ is an ideal, dependable solution for any workstation.
