Product **Description**

The 27” ViewSonic® VP2766-2K QHD monitor brings stunning precision and outstanding color to modern creative workflows. Built for video editing, graphic design and animation, this 2K monitor features a 120Hz refresh rate for clear, stutter-free motion. Creators can rely on a Pantone® validated display with 100% sRGB coverage for true-to-life color reproduction. Cable management is simple too, since a single USB-C cable handles video, data and up to 90W of power delivery while an HDMI port adds greater flexibility. To keep you comfortable during longer sessions, a sleek ergonomic stand lets you easily adjust the tilt, swivel, pivot and height. Built-in flicker-free technology and a low blue light solution can help reduce eye fatigue when you're working long hours. Whether you’re editing, designing or even gaming, the VP2766-2K delivers gorgeous visuals that bring your creative vision to life.

Specifications
